Minutes of the previous meeting

The minutes of the meeting held 2<sup>nd</sup> July 2007 were agreed correct and signed as such.

Matters arising

1. Highways inspection- due to the June floods the workload at NLC highways has increased but we shall continue trying for an inspection.
2. Street light No 16 – This light has now been satisfactorily repaired.
3. Notice Board= the Chairman will pursue the matter.
4. Footpath – A long discussion followed on the footpath. The experimental surface has been a total failure and it was agreed another letter was required.
5. Potholes in Goxhill Road need reporting.

Village Matters

Dog bin –the clerk had contacted the authority, unfortunately giving them the wrong information (that there were no dog bins in Thornton Curtis) they were however coming to look at the situation.

Matters to be reported:- a) Directional signpost at station corner. b) Manhole cover outside 'CasaMia' on Station Road, c) hedge on Wootton Road & Station Road. d) Pothole at Burnham crossroads, e) Main Street sign missing f) sign not visible at T junction, Dam Lane.

The concept of a petitioning NLC was discussed with regard to what appears to be lack of services in the village.
