**Comments of Parishioners**

**The state of the footpath on Station Road has again been a cause for concern. Mr Leaning had been stopped by an angry motorist as he was pushing a wheelchair on the road. It is totally impossible to push a pram or even walk comfortably along the footpath. The parish council are as usual, in communication with NLC regarding the footpath and will explore every avenue and certainly not let the matter rest.**

**The meeting was then declared closed**
