St Lawrence Church News

October 2nd at 6:30pm Harvest Service and Supper. I hope everyone has seen the wonderful new sign in the churchyard advertising our forthcoming harvest service and supper followed by the traditional **Auction in the Thornton Hunt on Tuesday Oct 4th at 8:30pm.** Please help us to make this a wonderful event by donating produce, flowers and other items. The Church will be open from Thursday September 29th to enable people to decorate the Church for the service.

This year we are very pleased to have Robert Jaggs-Fowler giving the address within the service. Supper tickets are £7.50 each with children under 11 free, and people are asked to provide their own drink. As usual there will be a two course meal of shepherd's pie and peas and fruit pie and cream. Carole and Marian have tickets. The harvest collection is given to a local charity, and all other proceeds go towards maintaining our wonderful Church for future generations

The eagle eyed will have noticed that the date of the **Ceilidh** was September 28th in one paragraph and October 28th in another. **The correct date is October 28th.** Tickets are £12.50 to include a pie and pea supper and are now available from Carole or Marian.

The Churchyard is looking lovely and well cared for as the PCC have employed a local person to cut it on a regular basis. In the past we have had to rely on the generosity of local people to cut the grass but it was felt this was unfair.

Angelica Rose Wilson was baptized in our church on August 28th and Florence May Chapmen was baptized on September 18th. Congratulations to both families.

Parish News

The next **Parish Council Meeting** is Monday 7th November at 7.00 pm in the church. Anyone is welcome to attend and bring ideas or comments to the attention of the council.

In the Autumn edition of News Direct was an article about Broadband and I'm sure it was read with great interest, especially the part which stated "BDUK provided a Market Test Pilot which funded local company Quickline to expand their superfast fixed wireless access network through a £2million investment" The Parish Council have invited Quickline's Managing Director, Steve Jagger, to attend a village meeting so when we have a time and place we will let you know so that you can put your issues to him directly. If you can't attend please let us have your questions. The aim is to get an effective and reliable broadband service at a fair price to the main part of the village

Mr Roy Brixton, Chairman of the Parish Council, is the community representative at NATs meeting where local police issues are discussed. If anyone has any concerns which are a matter for the Police, then Mr Brixton can take them to the meeting for you as long as he specific details.

North Lincs Council have been approached to provide a speed restriction on Station Road. If anyone has any comments or thoughts on this matter could they contact any member of the Parish Council.

The days are shortening and the temperatures are dropping following the mini heatwave we have all recently enjoyed and the Snow Warden can now be seen unwrapping his snow shovel and preparing for the cold winter months to come. His message today is 'Be Prepared'.
